PROJECTS

CHATAGRAM (Full Stack)

May, 2023

- Developed a Multi-User Next.js 13.4 app-directory based application, incorporating the Open-AI API to create and share posts within a community feed.
- Implemented secure Google authentication using Next Auth, providing more than 3 multiple login options.
- Link and Results: <https://chatagraminator.vercel.app/>

SWARNA-LEHENGHA (Full Stack)

Nov, 2022

- Successfully created a feature-rich e-commerce website using Next.js 13.1, featuring functionalities like Add to Cart, Filtering, and Content Management System.
- Leveraged advanced server-side rendering from Next.js 13.1 pages directory, ensuring an optimal user experience and strong SEO performance.
- Link and Results: <https://swarnalehenga.vercel.app/>

BLISSINATOR (Full Stack)

Sept, 2023

- Designed and developed a centralized website for mental health counseling, catering to students, professionals, and working individuals. The platform includes 2 appointment booking forms and a chat support feature powered by Open-AI API.
- Utilized the latest Next.js 13.4 app directory for creating server components, resulting in SEO-friendly optimizations.
- Link and Results: <https://blissinator.vercel.app/>

INTERNSHIP

SMARTBRIDGE EXTERNSHIP

Remote

Internet of Things Externship, Smartinternz

May, 2023 – July, 2023

- Instrumental in implementing a responsive Front-End using web development skills, facilitating seamless user interaction and real-time sensor data analysis.
- Participated in team projects and SmartInternz's comprehensive course curriculum, significantly enhancing IoT skills.

EXTRA-CURRICULAR AND ACHIEVEMENTS

- Distinguished participation in ECE Core lab experiments and Project Exhibition, showcasing two innovative projects.
- Engaged in a 10-day experiential learning visit that provided hands-on experience of daily industrial operations.
- Attained the level of a Guide in Google Maps, with over 1.5 million views on uploaded photos and reviews, contributing to the platform's utility and credibility.

ADDITIONAL INFORMATION

- Hobbies encompass Video Editing, Motion Graphics, and Linux Distro Testing. Explored and evaluated various Linux distributions, assessing their pros and cons, while honing Linux command proficiency.
- Language proficiency includes fluency in Hindi and English
